

ECONOMIC DATA ANALYTICS, CERTIFICATE (0491)

Interim Program Coordinator

Dr. Christopher Biolsi, christopher.biolsi@wku.edu

(%20christopher.biolsi@wku.edu)

This graduate certificate will help prepare professionals for jobs in both public and private sector. Students will demonstrate advanced knowledge in quantitative economics disciplines including applied economic statistics, econometrics and time series forecasting, as well as data management skills.

Program Admission

Admission to the certificate does not require or include admission to the MA in Applied Economics program. Applicants are required to have completed an introductory statistics course prior to enrolling in the certificate program.

Graduate Studies Admission

Please refer to the admission section (<http://catalog.wku.edu/graduate/admission/>) of this catalog for Graduate Studies admission requirements.

Program Requirements (12 hours)
