

# AGRICULTURAL EDUCATION (AGED)

---

**AGED 570    Methods of Teaching in Agriculture Education    3 Hours**

Experiences related to the teaching of agriculture education, further preparing the prospective teacher in supervised occupational experience programs. Topics covered include FFA activities, classroom management, and general teaching techniques. Departments of Agriculture in other institutions are occasionally visited.

*Recent Term(s) Offered: None*

**AGED 571    Organization and Planning in Agricultural Education    3 Hours**

A teacher preparation course designed to prepare pre-service teachers for the student teaching experience and for a full-time teaching position. Unit planning, lesson preparation, and delivery comprise the major portion of this course.

*Recent Term(s) Offered: None*

**AGED 575    Topics in Agriculture Education    1-3 Hours (repeatable max of 6 hrs)**

Special topics acquaint students with scientific developments of current interest in agricultural education. Appropriate topics are assigned. Lecture and assignments vary with credit.

*Recent Term(s) Offered: None*

**AGED 583    Curriculum Development/Agriculture Education    3 Hours**

This course will introduce students to the principles and practices of curriculum development in agricultural education. Students will learn how to develop and implement comprehensive agricultural education curriculum units and lesson plans, use a variety of instructional strategies and technologies to deliver agricultural education curriculum, and collaborate with other educators, agricultural professionals, and community members to develop and implement agricultural education programs.

*Recent Term(s) Offered: fall 2024*

**AGED 584    Program Development/Agriculture Education    3 Hours**

Covers planning, conducting, and following through instructional programs for secondary, post-secondary, and/or adult students. Provide students with a foundational understanding of the principles and theories of program development. This includes examining different models of program development, as well as the specific needs and challenges of developing programs in agricultural education.

*Recent Term(s) Offered: None*

**AGED 589    Ind Spec Prob Agriculture Education    1-3 Hours (repeatable max of 6 hrs)**

Supervised individual study in agricultural education.

*Recent Term(s) Offered: None*

**AGED 675    Advanced Topics in Agriculture Education    1-3 Hours**

Advanced topics in agricultural education objectives should be designed to prepare students for careers in agricultural education, research, and extension, as well as for leadership roles in the agricultural industry and community.

*Recent Term(s) Offered: fall 2023*
