

# LEGAL STUDIES, BACHELOR OF ARTS (6001)

## Program Coordinator

Katherine E. Brown, kate.brown@wku.edu

The Legal Studies program consists of 18 hours of core courses in Political Science, History, and Professional Legal Studies (including a capstone experience), and 18 hours of electives from many disciplines across Western Kentucky University. A second major, minor, or certificate is required.

The program provides students an interdisciplinary perspective while fostering greater understanding of the law as it relates to history, the sciences, and ethics in the United States and around the world. While the program appeals to pre-law students, it also serves as a background for a wide variety of careers, including public administration, academics, government, diplomatic corps, homeland security, non-governmental organizations, and law enforcement.

Legal Studies allows students from many disciplines to focus their studies using their individual disciplinary interests as a launching point for exploring how the study of law cuts across disciplinary lines. It offers courses in a wide range of subjects, including American legal history, political process, constitutional law, philosophy and ethics, sociology and criminal justice, business, journalism and broadcasting, economics and property law, English, and environmental law and regulations.

The Legal Studies program does not prepare students to work as paralegals and is not approved by the ABA to do so.
