## Program Coordinator

Scott J. Lasley, [scott.lasley@wku.edu](mailto:scott.lasley@wku.edu), (270) 745-2799

A program of study in Political Science furthers student awareness and understanding of political concepts and processes, assists the student in developing critical and analytical abilities, and creates a knowledgeable citizen. Completion of a curriculum in political science provides an individual with a broad background preparatory to a number of careers. Among these are government service, politics, business, teaching, research in political science, and entry into law and other graduate schools. Students may major or minor in political science.
