

# SOCIAL WORK, BACHELOR OF SOCIAL WORK (594P, 594)

## Program Coordinator

Whitney Cassity Caywood, whitney.cassitycaywood@wku.edu

The Bachelor of Social Work (BSW) is accredited by the Council on Social Work Education (CSWE). During the four semesters required for completion of the social work major, students acquire knowledge, skills, and values that demonstrate competency in generalist social work practice. The major includes a 400-hour Field practicum or internship at a social service agency where students apply classroom learning under the supervision of a professional social worker. As a bachelor level social worker, graduates may work with individuals, families, groups, organizations, and/or the entire community with a primary focus on coordinating services in a variety of settings with multiple populations. For this reason, graduates must be flexible enough to work with people of various ages, backgrounds and cultures. With a BSW students are eligible to apply to any CSWE-Accredited Advanced Standing (accelerated) Master of Social Work program in the U.S. (Application requirements vary by program.)

The Social Work major consists of 54 semester hours, 42 core hours in social work and 12 hours in supportive courses. It is not necessary to have a minor for graduation.

Consistent with the program's emphasis on a liberal arts foundation, during the freshman and sophomore years, students will take courses in English, political science, economics, math, biology, sociology, psychology, and also public speaking and history. These courses will also fulfill several of the Colonnade requirements. A list of the required liberal arts and sciences courses that must be taken as prerequisites for applying to the social work major is available on the departmental webpage or can be obtained from the department.

A student receiving a "D" or lower in any course used for the social work major will be required to repeat the course. If it is a core social work course, then the course must be repeated before proceeding to the next course in the sequence.

## Admission Requirements

The academic advisor reviews the student's academic status. If necessary, students are advised to fulfill prerequisites for admission to the program. Upon completion of prerequisite courses, including SWRK 101 (with a minimum grade of "C"), students must complete an application process for formal admission to the social work program. The BSW Admissions and Retention Committee reviews each application. Students must have attained a cumulative grade point average of 2.5 and sophomore status at the time of application in order to be admitted. Guidelines for admission and retention are stated in the BSW Student Handbook, which is available in the departmental office or on [www.wku.edu/socialwork](http://www.wku.edu/socialwork) (<https://www.wku.edu/socialwork/>).
